Regarding: project proposal "Your ideas - Your initiatives"

Dear Mrs Krusteva,

Congratulations for your engagement and involvement in the international project "Your ideas - Your initiatives."

Sofia Municipality supports the educational institutions conducting active policy on road safety. School programmes to prevention against risky behaviour of children as participants in the road traffic include not only activities within educational institutions, but also having opinion on urban infrastructure – proposal to build a safe environment.

In this regard, we support your initiatives in terms of participation in a project that brings together a network of schools worldwide involved in the idea of providing safe roads and also support your proposal for pedestrian crossing and speed limit signs on the street.

With the wish for success,

Irena Dimitrova
